OUR CITY LEADS STATE IN GIVING BOOKS TO CAMPS

Considering Population Maysville Donates More Books to Soldiers Than Any Other City in Kentucky—Local Librarian is Congratulated.

Maysville has done herself proud again in war work and Miss Mary E. Richeson local librarian, is very proud of a communication she received this morning from Miss Fannie C. Rawson, Secretary of the Kentucky Library Commission, congratulating her upon leading the state.

There were only two cities in the state which were ahead of us and they were Louisville and Henderson but as both of these cities are much larger in population than Maysville, our city takes the first place.

Maysville gave a total of 3,037 volumes but our Mason county folk are included in this for they also contributed very liberally.

Miss Rawson's letter follows:

October 2, 1919.
Miss Mary E. Richeson,
co. Maysville Library,
Maysville, Ky.

My Dear Miss Richeson:
I am compiling figures for my final report of the work done in Kentucky for the Camp Libraries and your report shows the following number of volumes contributed:

48 Atlanta, September 7, 1917.
89 Louisville, November 5, 1917.
2030 Louisville, April 11, 1918.
356 Louisville, May 7, 1918.
374 New Port News, August 15, 1918.
140 New Port News, November 24, 1918.

If any were sent later than this, please give me the number so that I may give you full credit for your work.

This is certainly a fine record. Unless additions are made to reports standing in our office, it comes next to Louisville and Henderson; and taking in consideration the number of inhabitants in Louisville, Henderson and Maysville the latter comes first in generosity.

Most cordially yours,
FANNIE C. RAWSON,
Secretary.

"UNCLE CLEM" SERIOUSLY ILL.

Uncle Amos Clemmons, better known to his hundreds of Maysville friends as "Uncle Clem" is in a very serious condition at his home in Graves alley suffering from asthma. For a time Friday night it was thought this good old darkey was dying. His many friends hope he will soon recover.

LOCAL BANK IS AWARDED CERTIFICATE BY OFFICIALS

Bank of Maysville Is 100 Per Cent Bank in Selling More Than Its Quota of Victory Bonds and Gets Beautiful Certificate.

The officers of the Bank of Maysville are justly proud of a beautifully lithographed certificate which has been issued by the Cleveland Federal Reserve Bank in recognition of their patriotism in selling more than their quota of Victory Liberty Bonds and in being classed as a 100 per cent bank.

The certificate which is beautifully framed, reads as follows:

The Federal Reserve Bank of Cleveland Fiscal Agent of the United States, in recognition of the unflagging patriotism of the Bank of Maysville, Maysville, Ky., awards that institution this evidence that it faithfully discharged its obligation to the United States of America, in securing the sale of one hundred per cent or more of its quota of Victory Liberty Loan Notes.

E. R. FANCHER, Governor.

KINGS DAUGHTERS MEETING

Mrs. E. C. Phister will be hostess to the King's Daughters, of the Episcopal Church, on Monday afternoon at her residence number fifteen West Third street at half past three o'clock the business meeting will commence this will be followed by a suitable reading and social hour.

Mrs. Phister was, for many years, the faithful and delightful reader for this organization and although she is now a shut-in, her interest in this efficient society is an inspiration to the more active members.

LOST FLOCK OF SHEEP FOUND IN CELLAR

The Mt. Olivet Tribune-Democrat says: The flock of sheep of E. N. Reed which mysteriously disappeared from his Bee Lick farm three weeks ago, were found last Friday huddled up in a cellar on Elisha Highlander's place, on Bee Lick. The sheep entered the cellar and some means the door closed. They had been in the cellar 15 days and when found were nearly famished for water. Fortunately none succumbed to the long confinement without food or water.

OUR BAND PICTURED

The Georgetown (O.) News Democrat published Friday features the Maysville Boys' Band by publishing their picture on the front page. The local band plays at the Georgetown fair next Friday and it is expected that they will draw a large crowd.

CITY WATER IS SCORED BY STATE BOARD OF HEALTH

State Health Board Issues Special Bulletin on Maysville Water Supply Including Dr. Harbub's Report and Rather Warm Statements.

Through the mail today most every citizen in the city of Maysville and throughout Mason county received from the Kentucky State Board of Health a special bulletin which is entitled "An Appeal to the citizens of Mason county in regard to the Water Supply and Sewage Disposal System of the City of Maysville." The bulletin is the complete report on the local situation as written by Captain C. N. Harbub, U. S. Sanitary Engineer, which has been read by the most in Maysville and Mason county and a preface signed by the officers of the State Board of Health which contains some pretty warm stuff.

Among other things the State Board of Health states that "the water supply and lack of sewage disposal facilities in the city of Maysville are archaic and disgraceful" and again, "With the exception of a few homes which use properly protected cisterns exclusively, the drinking water supply is reeking with filth."

In the back of the bulletin there is a splendid map of the city of Maysville. The complete statement of the State Board follows:

To the People of Maysville and Mason County:

The State Board of Health is publishing herewith, and is sending to the citizens of Mason County, a careful survey of the water supply made by Captain C. N. Harbub, of the United States Public Health Service, who has been Acting State Sanitary Engineer for the past few months.

The people of Mason County, outside of Maysville, have made one of the most important contributions to sanitary science that has been made anywhere. In many other States similar attempts have been made, but in no one of them have the health authorities received, to a greater degree, the co-operation of a whole people. Due to the fact that the Mason County work was considered as a demonstration, the State Board of Health has been able to finance it largely through the co-operation of the United States Public Health Service, and at a comparatively small cost to Mason County and its people. It is interesting to know that a majority of the homes in Mason County, outside of Maysville, have a safe water supply, and a thorough and satisfactory method of sewage disposal in the Kentucky Sanitary Privy. It is earnestly hoped that, within another year, it can be announced that every home in the county is so provided. Those who have already built sanitary privies have a right to expect their neighbors to build them now.

The citizens of Maysville have been very generous in assisting in financing this movement, but have not seemed to realize, either as individuals or as a city, that they have far greater responsibilities than the people in their more isolated homes in the country. The water supply and lack of sewage disposal facilities in the city of Maysville are archaic and disgraceful. With the exception of a few homes which use properly protected cisterns exclusively, the drinking water supply is reeking with filth and is an evident frequent cause of disease. This publication is made by the State Board of Health, so that every citizen in the County may know these conditions. When they are realized, it is our belief that they will be remedied, just as the citizens of the County are remedying theirs.

In the meantime, the State Board advises the people of Mason county, when they go to Maysville, to carry a sufficient supply of drinking water with them to use during their stay, and it would regret the necessity of directing the railroads and steamboat lines to inform all passengers purchasing tickets for Maysville that the drinking water offered them there is filthy and unsafe and that no adequate disposal of sewage is provided for.

THE STATE BOARD OF HEALTH
John G. South, President.
A. T. McCormack, Secretary.

Where There's a Baby On Farm Keep Rat-Snap

Rats are on most farms. Once they get inside the house—look out. Rats kill infants—biting them is not unusual. Nursing bottles attract rats. Break a cake of RAT-SNAP and throw it around. It will surely rid you of rats and mice. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by J. J. Wood & Son, M. C. Russell Co. and Mike Brown.

Elisha Young, an employee of the James H. Hall Plow Company, was rather seriously injured Friday evening when his hand was caught in a plow trip hammer.

AUTOMOBILE IS STOLEN EARLY SATURDAY MORNING

Ford Roadster Taken From Its Parking Place on Lindsay Street Between 1 and 4 O'clock Saturday Morning—No Trace Found of Machine.

An automobile belonging to Mr. Lee Carr, an employee of the Sunlight Creamery Company, was stolen from Lindsay street near the Thomas boarding house sometime between 1 o'clock and 4 o'clock Saturday morning. It was reported to the police station at an early hour today.

The machine is a Ford runabout and carried Ohio license tags No. 403616. Mr. Carr drove the machine to the side street adjoining his boarding house about one o'clock Saturday morning and when he went for the machine again at 4 o'clock it was gone.

The police are endeavoring to pick up some clue to the theft but have as yet been unable to locate the machine. The roadster had the name of the Sunlight Creamery Company and the Number 56 painted on the doors in yellow paint and the machine should be easily located.

CONTRACTORS CLEAN UP THEIR LITTER

The contractors who have been paving between the car rails in West Second street have gained the high esteem of all of those citizens living along the line of their improvement. In most cases the contractors on such improvements leave behind their litter for the residents to clean up but these contractors had their men clean up all of the debris and even had the sidewalks in front of their work carefully cleaned and washed for which they have the thanks of the public.

COBURN HAD GOOD SHOW

Joe Coburn's famous minstrels held the boards at the Washington Theater last night and furnished a high class entertainment. Coburn was never better and has a complete new line of entertainment this year. It was quite refreshing to see and hear something new in a minstrel and Coburn will most certainly have the best season of his long career this year. Maysvillians always have the glad hand for Coburn and his men.

LOCAL PEOPLE WILL ATTEND AUTO RACES

Quite a number of local people will go to Cincinnati Sunday to attend the big automobile races at the Cincinnati speedway which begin there on Sunday. These races will call the race followers from all over the United States and desperate efforts will be made this year to break all previous records on the Cincinnati track for time. Some of the greatest automobile drivers in the world will enter the big races.

"These Rats Wouldn't Eat My Best Grain," Says Fred Lamb.

It's hard to keep rats out of a feed store. Tried for years. A neighboring store sold me some RAT-SNAP. It worked wonders. Gathered up dead rats every morning. Bought more RAT-SNAP. Haven't a rat now. They wouldn't eat my best grain when I threw RAT-SNAP around. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by J. J. Wood & Son, M. C. Russell Co. and Mike Brown.

BACK FROM VACATION

Dr. W. S. Yazell, popular local physician, returned Friday night from Ocean View, Va., where he has spent a ten days' vacation. The Doctor is much improved in health and had a very enjoyable vacation.

MOTHERS ARE TO MAKE AN APPEAL FOR BETTER WATER

Movement Started at Meeting of Parent-Teacher Association Friday to Have All Mothers in City Sign a Better Water Appeal.

The first meeting of the Parent-Teacher-Association of the Forest Avenue School held at the school building on Friday afternoon was a very interesting one. There were many patrons of the school present and a very instructive program was given.

The chief address of the afternoon was made by Dr. J. L. Rice, Mason County Health Officer, who explained the disease hook worm and illustrated his address with pictures taken from life of the ravages of the dread disease.

During the meeting the Maysville Water supply came up for discussion generally and many of the mothers present took part. After a very thorough discussion of the matter of the inability of the school authorities to furnish the school children with pure water, it was finally decided that a huge petition be drawn up and circulated among all of the mothers of children in the city of Maysville appealing to the officials of the Maysville Water Company and the city officials that something be done and be done quickly to make the city water supply fit for drinking purposes.

It was decided that this Parent-Teacher Association present the matter to all the other Parent-Teacher Associations in the city and that an effort be made to canvass the mothers of the city immediately.

There is no doubt but that such a petition would have great weight not only with the Water Company but with the officials of the city as well.

BURIAL AT MT. OLIVET

The body of Mr. William Curtis, who was killed by a street car on Thursday morning was taken to his former home at Mt. Olivet this morning for burial there. Funeral services were held at the late home in Eastland Friday afternoon.

VALUABLE MULE KILLED BY C. & O. TRAIN

A very valuable mule belong to Mr. H. E. Pogue, was killed at the Pogue distillery early this morning when it was struck by a passing freight train. The animal was torn to pieces.

YOUTHFUL ROBBERS ARE ARRESTED HERE TODAY

Police Looking For Boys Who Robbed Railroad Man's Home in Covington And Picked Up Lads Who Robbed Carpet Cleaning Plant in Newport.

The local police were asked by the authorities of Covington this morning to be on the lookout for boys who were thought to have robbed the home of Mr. Charles Walker, C. & O. railroad employee of Covington last night or early this morning.

Officer P. Ryan arrested three boys giving their names as Dave Meyers, Allan Thomas and Leo Brownfield on Passenger train No. 8 at the local station. The lads seemed to have plenty of money and they were buying everything that the news butcher had to sell. The boys at first claimed they were innocent but later young Thomas said he had stolen \$30 from his mother.

Mr. Walker arrived here this afternoon but was unable to identify the boys. He said that sometime early this morning someone ransacked his home and stole \$58 from his purse leaving his clothing strung out all over the house. He had seen two boys sitting on the sidewalk opposite his home at 2 o'clock this morning.

After a grilling by Chief Ort, Thomas finally confessed that he had stolen the \$30, \$20.48 of which was found on his person, from the Bronner Carpet cleaning company in Newport. The boys will be held for the Newport authorities.

Officer Fred Wells last night discovered the C. & O. railroad trestle between Bridge and Limestone streets afire and extinguished the blaze but not until several ties had been burned almost through.

PART OF FIRST DIVISION PASSES THROUGH CITY

A special troop train bearing a part of the famous First Division passed through Maysville late Friday afternoon en route from the East to West—en route where the men will be demobilized.

REDS TAKE THE SECOND GAME IN SOX TOWN

Cincinnati Reds Wins the Fourth Game of the Series Blanking the Sox by Score of 2 to 0.

The Cincinnati Reds won the fourth game in the World Series this afternoon at Chicago by defeating the White Sox by a score of 2 to 0.

Pat Moran put his confidence for the second game in the White Sox's own town in Ring and Wingo went again behind the bat while Gleason again put the famous Cicotte on the mound for the Sox with a hope that he might clear the terrible record made by him in the first game and get the scalp of the boys from the Ohio valley after Kerr had opened up the way on Friday afternoon.

Ring's supporters in Maysville were not a few and when it was announced on the score boards that Ring had gone to the mound his supporters said that the tune of Friday would be changed and that the Reds would score another victory in the series giving them a splendid lead on the World's Championship.

When the fifth was reached and a big figure two was placed in the Red's column there was much rejoicing went up from the local fans but the suspense was something awful until the game closed, fans expecting the Sox to come back with every round.

The Sox were not able to score and the Reds never crossed the plate again closing the game another shut-out, by a score of 2 to 0.

The score follows:

Innings	1	2	3	4	5	6	7	8	9	R	H	E
Reds	0	0	0	0	2	0	0	0	0	2	5	2
Sox	0	0	0	0	0	0	0	0	0	0	3	2

Batteries: Reds, Ring and Wingo; Sox, Cicotte and Schalk.

SCHOOL ELECTIONS ARE BEING HELD TODAY

School trustees are being elected in about half of the school districts in Mason county today. It is thought that in the majority of cases the old trustees will be elected there being little opposition.

THE HOME OF QUALITY CLOTHES

We Are Sticking to Quality for Dear Life and We Deserve a Part of Your Business

Whenever good merchandise is scarce and hard to find, as it is this Fall, inferior goods and fictitious claims immediately become as plentiful as the Smiths in the phone book, and that's exactly the condition today.

We have sat tight in the boat and kept our quality at full mast. We have refused to accept substitutes for wool—to subtract from our workmanship or to side tract our duty to the clothing buyers of our city, and after considering these facts, you will agree that we deserve a part of your Fall purchases.

MANY PEOPLE BEING SOUGHT BY THE RED CROSS

Red Cross Seeks to Enlist Many in Big Campaign for Membership This Fall and Winter.

"The master problem of civilization is to engage as many people with as much enthusiasm in the upbuilding process of peace as, by the traditions of the ages, it has been possible to enlist in the destructive adventure of war, when people shall have learned to sacrifice themselves as readily on the altar of common weal as they sacrifice themselves on the altars of war, the world will be saved and not until then," said Miss Lida Hafford at Red Cross headquarters in the Phoenix Hotel in Lexington.

The Red Cross does not aspire to monopolize the task and privileges of finding, unaided, the remedy for all social ills. It seeks to be the assistant, rather than the chief, to supplement existing agencies, official and volunteer, to stimulate activities where none exists to place at the disposal of the government's own officials a helpful body of aids, mobilized, organized and trained by the chapters. The most vital problems are neighborhood problems, and the Red Cross, non-sectarian, non-political, can with its recent experience to aid unify the neighbors for neighborhood welfare.

The Red Cross helped the soldiers and now the soldiers are helping the Red Cross. Many discharged men have become Red Cross secretaries to help the "other fellow" and his family as he himself has been helped.

Most communities at some time or another, are called upon to face an emergency or an overwhelming disaster, such as Corpus Christi has just gone through and received relief through the Red Cross, but whether through fire, flood, explosion, earthquake or epidemic, the Red Cross of the future hopes to be prepared to meet the crisis. Organization of a disaster relief committee is being urged for every chapter.

That the Red Cross through its Peace Time program, will be instrumental in eliminating and preventing disease and sickness, is the opinion of Dr. Livingston Farrand, chairman of the executive committee. "We have a great organization," he says, "that represents everyone of the National interests, and we propose to put this energy behind the great movement for bringing the interests together."

BURNS, CUTS, BRUISES

San Cura Ointment Relieves Pain, Draws Out Poison and Heals Promptly.

There is no better remedy for burns and bruises than the antiseptic and healing ointment called San Cura. Every person ought to have a jar on hand; it is the first and best aid to the injured in case of accident, and is the ideal remedy for so many other distressing and painful ailments besides.

For example, it is guaranteed by J. Jas. Wood & Son to relieve itching, bleeding and protruding piles, eczema, tetter, ulcers, salt rheum, boils, carbuncles and pimples, or money back.

In case of old running sores, no matter how long standing, a few poultices of San Cura Ointment will draw out the poison, and leave them in such a thoroughly aseptic condition that they will heal promptly.

We advise every reader to get a jar of San Cura Ointment today, and keep it ready for an accident or emergency that may happen 30c, 60c and \$1.20 a jar at J. Jas. Wood & Son on the money back plan.

San Cura Soap is delightful for shampooing, because it is full of antiseptic properties that banish the germs of dandruff and other impurities from the scalp. It removes pimples and blackheads, too. 25 cents a cake at J. Jas. Wood & Son.

Catarhal Deafness Cannot Be Cured

Local opinion is that as they cannot reach the diseased portion of the ear there is only one way to cure catarhal deafness, and that is by a conditional remedy. Catarhal Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a humming sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarhal deafness. It is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give you \$10.00 Dollars for any case of Catarhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. J. J. CHENEY & CO., Toledo, O.

AIRPLANE TO BE USED FOR EDUCATION IN STATE

Mrs. Cora Wilson Stewart in New York to Purchase Airship For Use in Hills.

New York, October 3.—The ancient circuit riders of Kentucky, the itinerant preachers who for generations, riding on horses and mules, have been carrying religion, the multiplication table and the news of the world to the most isolated peoples of the United States, are about to face modern competition which may cause them to disappear entirely.

The Airplane—that is the answer. At the Waldorf today, Mrs. Cora Wilson Stewart, of Frankfort, Ky., chairman of the Kentucky State Illiteracy Commission announced that she was in town to buy a sky buggy. It will be the first of a whole fleet, she said. She herself will take a course

in flying to carry on her education work.

We have tried to reach these people—some of whom don't even know of the world war—with automobiles, horse and mules," said Mrs. Wilson. "But the lack of roads and sometimes the lack even of paths, has made the work all but impossible. With airplanes we can cover the territory in a twentieth of the time it now takes."

GREAT PRESBYTERIAN GATHERING

New York, October 3.—Thirty-nine of the forty synods of the Presbyterian church in the United States were represented at the opening conference of the Home Department of the Board of Foreign Missions held here today. The conference is the first of its kind ever held. The conference was called for the purpose of outlining the work of the year in line with the Presbyterian New Era movement campaign for increased results along all lines of church activity.

TWO CHILDREN KILLED BY POWDER EXPLOSION

Barbourville, Ky., October 3.—Two children of Joe Riley, 6 and 9 years old, were killed by the explosion of a keg of powder at their home, near Knox. The powder had been left on a porch of Riley's house to be used in some blasting, and while the parents were absent the children threw a lighted match into the keg. The house was partly destroyed.

WOULD CONNECT CHICAGO WITH NEW YORK

The Type Used in One Year to Publish Endorsements of Doan's Kidney Pills.

Of the many kidney remedies on the market today, none other is recommended like Doan's Kidney Pills. Fifty thousand benefited people gladly testify in the newspapers of their own towns. Forty-five hundred American newspapers publish this home proof of Doan's merit. The type used in one year to tell this wonderful story would make a solid column of metal twice as high as the world's highest mountain. Placed end to end the lines of type would reach from New York to Chicago. These miles of good words told by 50,000 tongues sound glad tidings to any Maysville sufferer who wants relief from kidney and bladder ills. Here's a Maysville case. Don't experiment. Use the remedy endorsed by people you know.

Ben. P. Fleming, constable of Mason County, 217 East Lee Street, says: "I have used Doan's Kidney Pills off and on for several years, getting them at Wood & Son's Drug Store, and they have been of great benefit. At times, my kidneys have been out of order and I have suffered from a dull, constant ache through the small of my back. The kidney secretions have been irregular in passage, too. A box or so of Doan's Kidney Pills have never failed to relieve me of the complaint in a short time." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fleming had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

PUBLIC SALE

OF WELL IMPROVED SMALL FARM TUESDAY, OCTOBER 15, 10 O'CLOCK

In as much as I don't care to be burdened with the responsibility of looking after my farm at my time of life I have decided to offer it at Public Sale to the highest bidder on the above date. There is about 63 acres in the farm; situated in Mason County, Kentucky, in the Minerva precinct on the Big Pond Pike 6 miles West of Maysville; in Consolidated School District. This is a well improved small farm, in fact there is few like it in the county. There is a 6-room Frame House, in good condition, stock barn and tobacco barn, with usual outbuildings, all buildings in good repair. Fencing is good, and there is an abundance of water for stock and family use even at this droughty period. Possession will be given for seeding this fall and full possession March 1st, 1920. Land will be sold on easy terms. Sale will take place rain or shine on the premises, so be on hand if you want this desirable little farm.

Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator," she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

TOBACCO MEN FORM PERMANENT ORGANIZATION

Allied Tobacco League of America is Name of League—Dr. E. T. Kirk Elected a Director.

The Allied Tobacco League of America was the name adopted yesterday by growers, leaf dealers, warehousemen, manufacturers, jobbers and retailers of tobacco products who met at the offices of the Cincinnati Tobacco Warehouse Company to effect a permanent organization, the object of which is to promote the interest of the industry at large throughout the United States and to protect it against all attacks of whatever nature, calculated to destroy or impair in any way the growth, sale, manufacture or use of tobacco.

The meeting was presided over by W. D. Spalding, who acted as Chairman of all the preliminary meetings. Following the adoption of a constitution and by-laws Mr. Spalding was the unanimous choice of his colleagues as the first President of the new organization, the operations of which promise to become nation-wide in scope, especially in the way of launching an active campaign to counteract the forces already at work to secure national prohibition of tobacco. Other officers elected at the meeting yesterday were: Charles B. Wittrock, Vice President; William S. Goldenburg, Secretary; George E. Enged, Treasurer; Emmet Orr, Official Organizer and Field Secretary.

Mr. E. T. Kirk, President of the State National Bank and general buyer for the R. J. Reynolds Tobacco Co., is elected one of the directors of the League.

FARM BUREAU IS ORGANIZED

A very interesting meeting of Mason County Farmers was held at the court house this afternoon when the permanent organization of the Mason County Farm Bureau was perfected. The following officers were elected: President—John Downing. Vice President—Mike Lally. Secretary—Will Smoot. Treasurer—Early Newell. An executive board and an advisory council was also named.

FIRE DEPARTMENT EXAMINES CITY DUMPS CAREFULLY

At the suggestion of the Public Ledger and several councilmen, the Maysville city fire department on Friday and Saturday visited all of the dumps in the city to examine them carefully and to extinguish any fire that might be found there. Several small fires were found but all of the dumps are in very good condition so far as fire is concerned at present.

COLORED TEACHERS PLAN FOR MOONLIGHT SCHOOLS

Mrs. J. B. Ross, Mason County Illiteracy Agent, addressed the teachers.

LIMERICK CLEARED OF BLAME IN ACCIDENT

Coroner Thomas F. Higgins held an inquest at the Council Chamber last night into the death of William Curtis, who was killed by a street car Thursday morning. The jury returned a verdict of "unavoidable accident" thereby removing all blame from Mr. Frank Limerick, the street car motor-man.

BOIL YOUR WATER SAYS HEALTH OFFICER

Because the water has gotten so low in the reservoirs that the city's mains cannot be furnished from them, the Maysville Water Company is pinning direct into the mains and again Dr. Rice, County Health Officer, issues a warning to all users of city water to boil it carefully before drinking.

NEW PASTOR BEGINS PASTORATE SUNDAY

Rev. J. A. Davis, the new pastor of the First Baptist Church, will begin his pastorate here on Sunday and a full attendance of the membership is requested. ANOTHER BIG MUSICAL COMEDY IS COMING

Following closely on the heels of Flo Flo, a big musical comedy at the Washington Theater on next Thursday evening will be Oh, My Dear, another big comedy which is booked for the Washington on October 13. It looks like Manager Russell is going to give us plenty of big ones this season.

CHURCH TIME IS CHANGED

Maysville people should not forget that according to the action of the City Pastors' Association the time for evening services at all local churches has now been changed to 7 o'clock instead of 7:30 in the past. Remember this fact and do not get to church late Sunday evening.

Several people have bumped up against disgrace while trying to dodge poverty.

CHIROPRACTIC TALKS No. 4

The DIFFERENCE

Why is it that of two persons of the same age and responsibilities, you'll find out who always seems young and buoyantly healthy, while the other just feels his way through life, ailing, complaining and growing old rapidly?

The difference lies in nerve energy. One conserves it—the dissipates it through faulty nerve action.

Normal nerve action, which brings about a normal distribution of energy in the body, is the basis of health. Those who are not always at their best, thoroly well, virile let the Chiropractor, by scientific adjustment of the spine, correct faulty nerve action. Then Nature, by normal distribution of energy, can revitalize and regenerate every part of the body to the normal state that results invariably in great material benefit.

CHIROPRACTIC

THE BETTER WAY TO HEALTH

will help everyone, those who think they are in fit shape as well as those who are not. Certainly Chiropractic (KI-RO-PRAK-TIC) never harmed anyone, but it has done thousands an immense amount of good. Investigate it. See what it means to enjoy real natural health and vigor.
